Dear Friends,

We're delighted to welcome back to Gayfield Creative Spaces for a third year, the trail blazing Retina: Scotland's International Photography Festival.

### Retina 2016

International Photography Exhibition

Gayfield hosts three photographers of international repute.

Daily 10am to 5pm closing Saturday 30 July 2016

**Dougie Wallace** has work in G1 Gallery and G2 Kiosk. Our existing association with India is complemented by these stunning images of Bombay's taxi culture.

**Jason Bell** has work in galleries around the world including National Portrait Gallery and in G3 Depot presents a heady mix of celebrity portraiture.

**Kareem Black** brings a glam mix of New York's finest nightlife into the depths of our G4 Bunker, part of his Feels Good Let's Go project.

Retina Festival is spread across several key venues in the city. Gayfield was the starting line for Scotland's first Photomathon, the results of which will show at Ocean Terminal from this weekend.

Best wishes from the team at Gayfield Creative Spaces.
